MAY

Date **Event**
7th Susu Mama's Ball

21st **Luau (Beach Party) for Affiliated clubs - Va'a and Sailing for NC2011**
Va'a and Sailing are part of the Team PNG contingent to the Pacific Games in New Caledonia in August. This event is being hosted to help raise levy fees for the 25 athletes and official who will travel. A Luau is a Hawaiian beach party – so this event is all about fun with a tropical twist. There will be a smorgasbord of Hawaiian food; tropical entertainment and lots of dancing.

JUNE

13th **Queens Birthday**

18th **Commodore's Ball**
"Old Shanghai" is our theme for this year's Ball - lots of paper lanterns and large fans etc but the dress code will be black tie or cheongsams. The Club house will be closed for the event and we will sell 250 – 280 tickets, depending on how many tables we can fit in, at approximately K300-K350 which will include sunset drinks on the balcony with hors d'oeuvres followed by a full 3 course with wine on the table. It is proposed we have a lass playing acoustic guitar during dinner and at 9.30 when dinner is over a DJ will play a wide variety of music and we close the bar tab. This should be another great event for our members.

JULY

23rd **Remembrance Day - Saturday**

30th **Operation Open Heart Welcome**
Kathy Johnston confirmed that the main team arrives on 30th July and she would like the Club to host another 'Welcome'. We await a meeting with her discuss.

In the past this event has been a stand up event only; the food has been nibbles on arrival with a carvery station later and limited FOC beverages.

An MC drives proceedings inviting pledges from corporate companies and all funds raised go to the Operation Open Heart trust account. Last year we raised in excess of K150k. This year I would like to formally invite corporate guests and individuals and register representatives to pledge on behalf of that company. This will alleviate the fun we've experienced in the past collecting pledges.
