### **Sea Hawk 48 Motor Cruiser**

### **“JINGJO BOXING”**

#### **General Features**

---

“Jingjo Boxing” is a Sea Hawk 50’ diesel powered motor cruiser built by Cheer Men Marine Taiwan in 1989. The vessel was built for recreation and appears to have been built and fitted out to a very high standard.

Vessel powered by twin Caterpillar 3208 V8 turbo marine diesel engines close coupled to Twin Disc MG506- 1 transmissions and convectional shaft driven four blades propellers.

The vessel has 2x cabin with double beds, hanging lockers, cupboards and ample storage space, electric flush marine toilet and vanity, shower, galley, hot and cold-water service, including the following:

- Fuel capacity is 2200L in two (2) x 3mm stainless steel fuel tanks
- Fresh water capacity is 400L in two (2) x stainless steel tanks
- Stainless steel sewerage holding tank approx. 180L
- Commercial quality Racor fuel filters/water separators
- GRP hardtop fly bridge and targa, 3-person bench seat
