

RPYC Sailing Division 2020 Race Nomination Fees

In 2010 the Sailing Division Committee introduced the ability to pay for A Class and TSSY race nomination fees upfront for a discount. The reason being, to reduce the burden on class reps for managing money, make it simpler for skippers who only have to pay once and also to decrease the risk of lost revenue from collection oversights on the day of the race.

Total							1,152

The race nomination fees have been kept at the current rate of K60 per race. No discount on individual races

Current approach is to apply 10% discount for a series only if entering the whole series. See "Discounted Series Fee" column.

If skippers agree to pay all series fees upfront, a 20% discount will be offered. See "all Upfront Discounted Fee" Column.

To be eligible for 20% discount, skippers must pay for all series they are entering no later than end of February 2020.

Please note, we have also added a "Crew Fee" for Regattas – this is payable by each crew member (excluding the skipper) for those events, and will be collected on the day of the Regatta.

Payment can be made at reception into the Sailing Division receipt book or into the following bank account:

Bank Details: Sailing Division RPYC, ANZ Bank,
BSB: 018-900,
Bank Account: 1122224

(please include your boat name with the payment and email advise to
