

## **LEARN TO SAIL COURSE**

---

**The Basic Learn to Sail Course will include the following topics:**

- Basic knots
- Parts of a yacht
- How to attach and raise sails
- How to tack & gybe (ie change direction)
- How to change sails when on the water
- How to make the mainsail smaller
- How to rescue someone if they fall overboard
- How to leave and come into a marina berth, and packing things away

**Details of the next course are:**

1. Sunday 18 April, from 0830 til noon - location Sailing Division Office - intro, theory, practical, in "classroom" and on board moored yachts
2. Sunday 2 May, from 0830 til noon (approx) - theory and practical - classroom and out sailing
3. Sunday 9 May, from 0830 til noon (approx) - theory and practical - classroom and out sailing, followed by free bbq, with bar open to buy drinks.

A Certificate will be awarded on successful completion of the course.

### **Course Panel**

The course will be limited to a total of 10 students – applications may be lodged with Club Reception. Only those applications with paid fees will be included on the course listing.

So don't miss out – get your application and fees in asap!
